

Dear friends,

one thing is certain, this year there will be too a winter ❄️

This year the Christmas season will be quieter and more devout than the years before. Time to remind ourselves again how good we are and to let some peace and quiet come in! Winter is just around the corner and is far from over after Christmas!

Silence, snow and clear winter air...

Sports lovers will get their money's worth when skiing, winter hiking and snowshoeing. If you want to ski off-piste, you can go on ski tours to find your way through the snowy landscape or jump into the warm pool.

All this and much more will be possible with us.

We are convinced of that! <3

We are looking forward to seeing you again in beautiful Kaprun!
Stay healthy and positive :)
